CALL FOR BID

COMPREHENSIVE PROJECT BID FOR THE CONCESSION OF THE:
"WASTE WATER TREATMENT SYSTEM FOR LAKE TITICACA BASIN" PROJECT

ProInversion, announces the call for the Comprehensive Project Bid to award the concession of the "Waste Water Treatment System for Lake Titicaca Basin" Project.

The objective of the Bid is to select the legal person or consortium, which constituted in Concessionaire, will be responsible for the design, financing, construction, operation and maintenance of the infrastructure to allow for:

The design, financing, construction, expansion, rehabilitation, operation and maintenance of main collectors, pumping stations, pressure lines, treatment and final disposal of wastewater, including, if applicable, the closure of existing infrastructure in the localities of Juliaca, Puno, llave, Juli, Ayaviri and Moho;

Operation and maintenance of main collectors, pumping stations, pressure lines, treatment and final disposal of wastewater in the localities of Yunguyo, Lampa, Azángaro and Huancané; and,

Technical support for the monitoring and control of the Maximum Allowable Values in the wastewater discharges into the sanitary sewer system, from non-domestic connections, in accordance with the provisions of the Concession Contract, including Service contracts and Applicable Laws and Regulations.

The payment for the right to participate in the Bidding process is one thousand five hundred American dollars (US$1500, 00), including VAT. This amount shall be deposited in the Foreign Currency Savings Account No. 0011-0661-0200035113-66 of BBVA Banco Continental (Swift: BCONPEPL). After making the deposit, please send a copy of the corresponding evidence to electronic mail of the Project, indicating the company name, address and RUC (national companies), for the issuance of corresponding payment voucher.

The Bidding Terms and Conditions are available of interested parties at ProInversion’s web page (www.proinversion.gob.pe). It contains the conditions required for the Bid, and the schedule of the activities of the process. Any indication or amendment will be communicated by means of Notices and published at Proinversion’s institutional web site.
